

SWICE Conference

June 4th, 2025 – Campus Stadt Mitte, MD Hall 180

Tössfeldstrasse 13, Winterthur

🕒 MORNING		
08:45	☕ Reception & welcome coffee Catering area in front of Hall 180+	
09:15	Welcome address by SWICE Management Team	
09:30	Parallel presentation sessions by SWICE researchers (10 min presentation + 5 min Q&A)	
	Session 1: POLICIES <i>How can SWICE inform new urban and building design policies?</i> MD Hall 180	Session 2: DECISION-SUPPORT <i>How can SWICE provide decision-support instruments towards wellbeing and sufficiency?</i> MA E0.22
09:30	WP2 – From modelling decent living and housing towards co-designing coherent policies across sectors to ensure transition to sufficiency and high wellbeing (UNIL and EPFL)	WP1 – Mobility tracking app and its experimental toolchain (UNIFR)
09:45	WP6 – Coworking and Certification Labels: impact on Minergie, NNBS, and SGNi (HSLU)	WP7 – When models talk, who listens? From energy models to open-source interfaces (EPFL)
10:00	WP4 – AI-powered Sufficiency Policy Database (Sciences Po)	WP4 – Serious Game: Participatory tool for engaging citizens and municipalities in energy transition (Empa)
10:15	☕ Coffee Break (30')	
10:45	WP5 – Open Space Interventions: design-driven, citizen-centered summer comfort strategies (UNIGE)	WP1 – From Typologies to Personas: A Decision-Support Tool for Tailored Sustainability Interventions (ZHAW)
11:00	WP3 – Sustainable governance practices and social cohesion: Eglantine's insights (HEIA-FR and Empa)	WP5 – Microclimate Modeling for Urban Heat Mitigation: tools supporting planning in open spaces (ETHZ)
11:20	Fishbowl Panel discussions (60')	
11:20	Session 1: POLICIES <i>Moderated by Igor Andersen</i> MD Hall 180 <ul style="list-style-type: none"> • Timo Ohnmacht, HSLU • Philippe Thalmann, EPFL • Cédric Jeanneret, SIG • Sara Elkabiri, ARE • Empty seat (people from the audience can alternate) 	Session 2: DECISION-SUPPORT <i>Moderated by Marilyne Andersen</i> MA E0.22 <ul style="list-style-type: none"> • Kristina Orehoung, TU-Wien • Bernadette Sütterlin, ZHAW • Vicente Carabias, City of Winterthur • Florian Buchter, Groupe E • Empty seat (people from the audience can alternate)
12:30	🕒 Lunch break (75')	

🕒 AFTERNOON

13:45 Parallel sessions:
Impact of SWICE Living Labs / Serious game / SWICE data

	Session 1: LIVING LABS IMPACT <i>Opportunities and challenges</i> MD Hall 180	Session 2: SERIOUS GAME <i>PowerHood Serious Game Workshop</i> MA E0.22	Session 3: DATA <i>SWICE Data Hub workshop</i> MD E0.13/15
13:45	WP8 - Impact assessment in Living Labs - main elements, opportunities and challenges (Julien Forbat, Jasmin Annaheim)	WP4 - PowerHood: A Case Clinic Workshop on a Serious Game for Neighbourhood Energy Transition (Karolina Kernbach, Marta Brkovic Dodig)	WP9 - SWICE Data Hub: Workshop (David Lindelöf)
14:15	World Café discussion on the impact of SWICE Living Labs (Anton Sentic) <ul style="list-style-type: none"> • What are the challenges when measuring impact in SWICE LL (Wellbeing, Energy & Environment, Co-Creation)? • How to keep a living lab alive past SWICE? • How can we identify and integrate living lab utilisers and users, and their needs (What's in it for me)? 	The case clinic workshop format invites interested participants to engage in shaping and constructively criticising the PowerHood game as a participatory tool for involving stakeholders in the energy transition of Swiss neighbourhoods. <ul style="list-style-type: none"> • Which stakeholder groups should be included in the game (role)play? • Which energy saving measures should be introduced? • What are the synergies between these measures? 	Over the past year, significant progress has been made in coordinating and structuring the data ecosystem within the SWICE consortium <ul style="list-style-type: none"> • Current situation of data management at SWICE • Possible and desired future developments • Presentation and brainstorming session
15:15	Wrap up		
15:30	☕ Coffee, apéro and end of the conference
